

August 8, 2017

Dear Parents;

Welcome to a new and exciting school year! Thank you for entrusting your most prized commodity in our school, your child and their academic future.

I wanted to take a few moments of your time and bring some of our federal program requirements to your attention. These are required by us as we currently receive federal funding under Title I.

- Our school is classified as a safe public school.
- Our school has all state certified teachers in every classroom. Their certification records are on file in the main office.
- Our school has current parent involvement policies adopted by the board. They can be viewed in the main office or online at mlcs.org.
- Our school has an adopted school-parent compact. It can be viewed in the main office or online at mlcs.org.
- Our school has a designated foster and homeless liaison should you have need. Please contact Mr. James Chavis in the main office at 830-331-4094.
- Our school has the ability to provide records in your native language should you have need of them.
- Our school provides ongoing professional development to all faculty and staff.
- Our school can provide academic services to migrant/immigrant workers children should the need arise.
- Our school provides academic achievement records every nine (9) weeks to our students.

We are very proud of the academic achievement of our school and will willingly share any and all information you may request. Our school will be hosting a teacher open house on **Thursday, August 10 from 4-5 pm**. We would like to see you! Should you find yourself needing any information regarding your child's academic program, please feel free to reach out to us. We can be reached at the main office at 830-331-4094.

We are looking forward to a wonderful school year!

Regards,

Donald L. Mills, Ed. D.
Superintendent
