

Meadowland Cleaning Information and Return to Safe Instruction Plan

Electrostatic Sprayer

1. Uniform coverage
2. Better surface adhesion
3. 65% less chemicals
4. 70% faster application rate

Husky Quick Care Disinfectant

1. Concentrated fast-acting disinfectant with no rinse required
2. Alkaline product sanitizes/disinfects hard services in 15 seconds
3. Sanitizes/disinfects soft services in 5 minutes
4. Disinfects bacteria, mold, and viruses in 3 minutes

Cleaning Schedule

The electrostatic sprayer with Husky Disinfectant will be used twice daily on each chair, desk, door handle, bathroom fixture, bathroom sink, toilet, and keyboard (including all teacher areas).

1. Either before or after school
2. Break between morning and afternoon session

Student desks and door handles will be disinfected after each class period or class rotation with disinfectant wipes.

Masks

Students and staff are required to wear mask during all inside activities until further notice.

Centers for Disease Control (CDC) Guidelines/Recommendations

The district will follow CDC guidelines/recommendations as they are issued.

It is our mission to keep our students and staff as safe as possible. Should you have any questions, please call 830-331-4094.
